

Home learning for Room 6 – Week 5 Term 2

Swimming continues this week. Please ensure your child has their swimming gear in a plastic bag ready each day.

It is getting colder! Please help your child to remember their warm clothing

- polar fleece
- jersey
- rain jacket
- shoes
- socks
- gloves or mittens
- hat

Knowledge-A-Thon

Testing takes place this Friday. Please return the yellow sponsorship form so that the test score can be added.

This week's activities are to do the map puzzle and the crossword.

Maths

Please work on your skills in Mathematics. Your password should be glued into this book

Mathletics

This week I got _____ points!

Reading Log

Date	Title or number of chapters	Signature
